

Name _____

Sort 55- Syllables and Affixes

Syllable Sort

Sort your words based on the number of syllables. Alphabetize each column when you write them down. Do NOT rewrite the guide word in bold. If you are unsure about the number of syllables in word, use a dictionary to check.

Two Syllables	Three Syllables	Four Syllables
ocean	continent	information

Word Hunt: Find 2-3 more four syllable words and challenge yourself by finding 2-3 five syllable words.

Four Syllables	Five Syllables

Use two of the words that you found on your word hunt in meaningful sentences.

Definitions: Match the spelling words to their meanings.

Half of a sphere		E								E
To retain in the memory			M					E		
Total number of persons inhabiting an area			U					O		
Being essential, indispensable or requisite			C				A			
Uncommon in amount or degree		N					A			

Applying Meaning: Select five other words from your sort not used in the definition activity to use in a meaningful sentence.

[illegible]
